

Good Morning,

Dear Sir/Ma'am,

My name is Shandi Hunt and I am a U.S. Navy Veteran and a current undergraduate student at Portland State University. I oppose HB 3338, and believe campus police should remain armed. Allowing them to only be allowed to carry in their own building will not make campus safer, as suggested by Representative Hernandez. This is essentially disarming the police, and slowing down response time if an event occurs where armed police are needed.

Sincerely,

Shandi Hunt
