

**SUBCOMMITTEE RECOMMENDATION**

**Department of Transportation  
Infrastructure for Rebuilding America**

---

On February 21st, the Transportation and Economic Development Subcommittee recommended approval of the submission of a federal grant application from the Department of Transportation to the U.S. Department of Transportation in the amount of \$223.7 million for two highway congestion relief projects: one on US 97 in the Bend area, and the other on I-205 in Clackamas County. The projects have a total estimated cost of \$432 million. The required match would be met with state, local and private funds.

The Transportation and Economic Development Subcommittee recommends approval.
