Public Hearing on SB 829, SB 830 and SB 831

Dear Chair Riley, Vice-Chair Girod, and Members of the Committee:

I am writing to support SB 829, SB 830 and SB 831. Please vote yes on this suite of bills to implement stronger labeling and content standards for wines produced in the Willamette Valley and other Oregon wine regions.

As a winemaker, I believe we should be transparent about the source of grapes in our wines and the content of grapes contained in our wines – for ALL varieties, including Pinot Gris, but excepting the 18 exempt warm-weather varieties.

The Willamette Valley and Oregon earned its place on the world map of great wine regions because of our commitment to quality and integrity in winemaking. Our reputations and brand equity are literally on every wine label and in every bottle of wine that we produce.

Thank you for reviewing my testimony. Please vote yes on SB 829, SB 830 and SB 831.

Sincerely,

Scott Frank
