RE: Support of House Bill 2562

I am writing you in support of House Bill 2562

It seems incredible that I even have to write this email. Ensuring that the Coordinator at the Oregon Department of Education Title IX staff positions are adequately staffed should not be a struggle. That should be a responsible action. Both girls and boys should have equal opportunities in athletics. There must be sufficient enforcement and prevention of gender-based harassment and discrimination in schools. Bullying and sexual harassment have gotten out of control.

There is so much to be done. Adequate staffing is important. We can't lose ground on these important issues.

I urge you to support HB 2562

Respectfully,

Barbara Carter, Eugene Oregon
