Oregon Progressive Party Position on Bill at 2019 Session of Oregon Legislature:

HB 2915: Support

Dear Committee:

The Oregon Progressive Party supports this bill, which:

Directs Department of Transportation to establish Oregon Yellow Dot Program.

Directs department to issue yellow dot folders to participants in program.

Authorizes emergency medical services provider, following motor vehicle accident or medical emergency, to access glove compartment of motor vehicle to which yellow dot decal is affixed for purpose of finding participant's yellow dot folder.

Exempts property subject to forfeiture found incidental to emergency medical services provider's search of glove compartment for yellow dot folder from admissible evidence in court proceeding.

Exempts participant's personally identifiable information from disclosure under public records laws.

Establishes Oregon Yellow Dot Program Account.

This appears to be a good idea to help emergency responders assist those having medical emergencies in or around their cars.
