My appologies, I wrote in haste. My comments are attributed to HB 3058 and SB 853.

Dear Jackie,

Good morning, I have received your testimony; however, I am not positive which bill to attribute your testimony to. Would you mind letting me know which bill you want to comment on ASAP that way I can properly insert it into the record? Thank you!

Best,  
Remy Watts

Dear Chair Dembrow,

Many farmers I know do not use Chlorpyritos or Neonics. They don't because they care about our pollinators and earthworms, without who we could not grow healthy foods. Please vote to take off the 'table' the Chlorpyrifos completely and restrict (better still ban) Neonics.

Sincerely,
