Subject: HB 3031 PLEASE DO NOT SUPPORT

This family/medical leave bill HB 3031 will hurt many businesses in Oregon. This may work in the major corporations but for small business it would be a disaster. You would never be able to higher just one person you will be hiring 2 as both employees could be absent for a half year each.

Please do not support this bill as it needs more thought and the employer needs some protection too.

Thanks
