

In the last couple of years, more than 40 localities across the country have enacted ordinances to ban the sale of mill bred dogs and cats in retail pet stores. These ordinances are extremely popular with local advocates across the country, and rightly so. We anticipate that these ordinances will continue to increase in the foreseeable future.

Properly worded ordinances send a strong message that a given community does not support puppy & kitty mill cruelty.

They protect consumers who may unwittingly purchase sometimes sick or genetically compromised puppy & kitty mill animals from pet stores.

They promote the acquisition of shelter/rescue pets instead of commercially bred dogs & cats causing increased shelter animal placement, decreased euthanasia, and a resulting fiscal benefit to the locality. Nationally, they pressure the commercial pet industry to clean up its act.

Poor animal care standards among breeders/suppliers is causing them to lose major markets like Los Angeles and Chicago, leaving them to choose between ceding those markets forever or demonstrably and dramatically improving the living conditions for their dogs and cats.

Please pass a law banning the sale of puppy and kitten mill animals in pet stores here in Oregon. Help us lead the way.

Anna	Petrov	Beaverton	OR	97007	Pet stores should, by law, be required to sell only shelter animals, and be able to document the source from which these animals are acquired. Animal 'mills' are basically a form of cruelty -- with no concern for the pups and kits or the moms -- and this should not be allowed in Oregon.
Susan	Gould	Aloha	OR	97007	These puppies and kittens are not breed responsibly or even cared for after being born and the adult dogs are treated with total disrespect to their well being. Greed brings these types of breeders (inappropriate word to use for these bastards) out into the World and they should all be shut down and the animals rescued.

Amy	Mcllvenna	Hood River	OR	97031	Millions animals are MURDERED for no other reason than to make room for more animals. Thousands of these dogs are healthy, trained and adoptable. If we did this in the human prison system, people would lose their minds!!!!!!
Ch	Bradley	HOOD RIVER	OR	97031	Puppies and kittens and othere species in pet stores are overwhelmingly from puppy/kitten mills. These factory farms for pets contribute greatly to pet overpopulation and euthanasia of innocent, healthy animals. They typically operate under extremely cruel, unsanitary conditions. Adopt, don't shop.

J	Stufflebeam	OREGON CITY	OR	97045	Absolutely. pet mills must be banned as well.
Joy	Grate	OC	OR	97045	I understand that some folks want specific breeds, however what I have seen locally is that what they are selling in the local pet store are mixed breeds for outrageous prices and they just look sad. This is a terrible way to provide pups to those populations when there are so many animals w/o good homes available in shelters.
Susan	Wirrig	Oregon City	OR	97045	Pet mills are horrendous facilities that defy all sensibilities around compassion and care for another living being. As such, Oregon pet stores should be legally prevented from selling pets from animal mills.
Cristy	Murray	Oregon City	OR	97045	Puppy mills do nothing but cause suffering. Time to end them now.
Tina	Hospers	Oregon City	OR	97045	The best pets are rescues - I will never support pure breed dogs with their inherent health issues. Rescues all the way. Puppy and kitty mills are cruel and inhumane and all operators need to be prosecuted to the fullest extent of the law.
Martha	Materne	oregon city	OR	97045	There is no reason for animals to be sold in pet stores when our shelters are overflowing and euthanizing every day!

Carolyn	Kelly	West Linn	OR	97068	In shelters they have a better chance of finding a 'forever home - and all shelters are over flowing with unwanted cats and dogs - all puppy mills should be banned - it should be made a crime and penalties of the highest order should be handed out - but they never are! Evil and greed need to be stamped out where we have a chance of doing so
Dana	Hathaway	West Linn	OR	97068	More Important is the care and feeding of the dogs and cats! This is just inhumane.
Helen	Klimeck-Jones	West Linn	OR	97068	Puppy Mills are inhumane and do not care for the health and well-being of the animals they own and sell.

Draven	Nightingale	McMinnville	OR	97128	Because most of the animals in shelters will be put down if they cannot find homes anyway. Not only are you helping keep the streets clean, you may make friends with a very unique personality. My kitty, Luna, who appears to be Himalayan / ragdoll mixed , is the sweetest cat I have ever seen. She is a rescue cat, adopted from Petco. THIS , is how we should acquire our companion friends. Not through repetitious breeding that causes birth defects and sickness. Get a clue- and stop treating our animals like they are trash. Sometimes, I wish an alien species would magically come from space to teach humans a lesson - we aren't the greatest species in history - we need to humble ourselves.
Lydia	Stroe	McMinnville	OR	97128	Domestic animals are not cattle! They are not meant to be breed like cattle and sold to high-ranking' establishments in the bundles. This is disgusting treatment to ANY animal, even cattle! Let alone poor puppies and kitties. Animals are meant to be free and loved.

Mireya	Mcllveen	Portland	OR	97202	All animals deserve better than this. Oregon can do better than this.
Sarah	Lombardi	Portland	OR	97202	Far too many cats and dogs are euthanized every year. We need to encourage spaying and neutering, not breeding for profit.
Caitlin	Williams	Portland	OR	97202	No supporting cruelty! Adopt, DON'T SHOP!!
Susan	Grover	Portland	OR	97202	Puppy mills are run by greedy people who do not care about the animals. Only the cash they get. The puppies are sick and the parents of the puppies are sick. I could go on and on.
MJ	Levine	Portland	OR	97202	So many animals in need of adoption. These little mill-bred puppies and kittens ad their parents live miserable lives, needlessly.
Sally	Joughin	Portland	OR	97202	There are so many abandoned dogs and cats that need a forever home and shelters help to find them. It is criminal to breed surplus dogs and cats for profit when shelter animals are still in need of homes.
G.	Gibson	Portland	OR	97202	We actually have an over population issue with dogs and cats - people need to adopt from shelters, NOT buy from puppy-mills.

Lita	Lee	Portland	OR	97206	Because it is cruel
Pamela	Burrell	Portland	OR	97206	Because puppy and kitty mills should be forced out of business. They are inhumane, cruel, and aboslutely unecessary when there are so many wonderful and loving animals that are available through shelters who deserve a second chance. Stop the money grubbing sleazy people who abuse, neglect and breed animals for profit. The pet stores who traffic and sell puppies and kittens from mills are no better and in fact worst then the breeders themselves.
m	komisar	portland	OR	97206	Come on Oregon, the state I love, put an immediate end to puppy mills and ban the sale of puppy/kitty mill animals! Would have thought OR would have been first to take action..
Tara	Chatterton	Portland	OR	97206	Please only sell impounded and rescued animals!!! We need to put an end to unnecessary reproduction of animals for profit. The treatment of animals bred in mills is unacceptable and needs to end, especially when there are so many lovable animals being put down every day that are in need of loving homes.

Barbara	Dvorak	Gladstone	OR	97207	I did not know how much until the last few year's ago. How much puppy mills, did to make puppy's to sell. Over use of female DOG'S to produce over and over puppy's. That is no way a animal should be treated. I bought a dog 17 yrs. ago at a pet shop Idont where he came from. But he was healthy, beautiful,sweet dog for most of his 15yrs I had him. But I know now I would not pick up a puppy from a pet shop. I will support this law.

Mary Ellen	Colwell	Portland	OR	97214	There are so many animals in reputable shelters who need homes that to import puppies from puppy mills around the country is senseless. Years ago I bought two puppies from a well known pet store chain. I knew that they had come from puppy mills and was ready to do anything necessary to keep them as healthy as possible. It was expensive but worth it. The day I brought them home, I set them down in our undersized yard. They had no idea what to do. I think this was the first time they had been out of a cage. I had to work with them so they could safely go up and down the front steps. They needed encouragement to around the side of the house. Eventually they learned to be outside in our fenced yard on their own and discovered treats like blueberries, strawberries, green beans and an occasional tomato.
Amy	Whitworth	Portland	OR	97214	This is a cruel practice and should be stopped. These animals should not be treated as breeding machines with no quality of life and no love - conditions are despicable and cruel. There are more than enough shelter pets out there that need good homes. Animals should be not for profit.

Betty	Abadia	Durham	OR	97224	I am horrified that Oregon would allow this!

Helen	Waid	Tigard	OR	97224	If you buy pets from a pet store you are supporting animal cruelty. Adopt from a shelter and help an animal that needs you. They will love you forever for taking them in.
Michele	Chavez	TIGARD	OR	97224	Puppy and Kitten mills are horrible!
Gretchen	Russell	Tigard	OR	97224	Selling pets in petstores promotes the continuation of the puppy mills. Thecpets are not treated well and poor breeding occurs.

Quinn	Miller	Portland	OR	97225	Animal overpopulation is a serious issue that results in neglect, suffering, and euthanasia for many unwanted puppies and kittens and a financial cost to taxpayers. Moreover, many of these mills keep their animals in inhumane conditions and see them as little more than units for profit. Banning the sale of mill-bred animals would help homeless pets get adopted and would make a huge impact on the overpopulation issue. Please do the right thing and pass this legislation. Thank you!

Dawn	McCloskey	Portland	OR	97268	These are cruel and often unsanitary conditions for these animals. We bought a dog from a pet store that came through a breeder and he had parvo. He nearly died. Even when the store knew the other pups,were sick and being treated they never contacted us. We found out when we sued them for vet bills.

Mary	Vorachek	Salem	OR	97301	Cruelty to animals is not a good selling point for people looking for a healthy pet.
Despo	Pullaro	Salem	OR	97301	Enough already with puppy & kitty mills. There are far to many cats & dog already & over breeding in now a large problem
lawrencia	berry	salem	OR	97301	i don't think you would like being inside one of those! would you?
karen	naylor	Salem	OR	97301	NO MORE DOGS AND CATS SHOULD BE BRED. TAKE CARE OF THE ONES ALREADY ON THE PLANET. THESE ANIMALS SHOULD BE SO RARE PEOPLE WILL APPRECIATE THEM AND TAKE CARE OF THEM RIGHT.

Elana	Virgilio	Salem	OR	97301	Puppy and kitten mills should be illegal, period. If they were, this issue would be moot as any product of those mills would thus be illegal. It is long past time to enact serious legislation against ANY form of puppy or kitten mill breeding, and enact real and serious consequences for flouting the law, in the form of heavy fines and appropriate jail time for repeat and serious offenders. That is what any good person would like to see happen now on this issue. There is simply no defensible reason for allowing puppy or kitten mills to continue. Its a cruel, immoral and inhumane practice and no halfway worthwhile human beings would ever take part in it. It serves only the greed of the operator, and the animals are almost always mistreated and neglected and treated as objects to be exploited, not living mammals with needs. This must end! So yes, by all means ban pets from mills, but that alone is weak. People who engage in such willingly exploitative and cruel behavior to animals should be punished! Enough of this slap on the wrist game!
Roberta	Gambino	Salem	OR	97301	The conditions in puppy and cat mills are inhumane and cruel. Millions of animals are euthanized every year because of over-population. Pet stores should sell zero puppies and kittens from these mills. Needs to stop.
denise	smith	salem	OR	97301	this is cruel and greed driven. should be illegal.

Karen	Force	Corvallis	OR	97333	Get rid of the puppy mills!!! Place these poor animals in pet stores to help with adoptions. Most dogs and cats in pet stores come from private owners anyway, not breeders. The puppy mills are inhumane. I know 3 people who have rescued dogs from puppy mills and they all have health issues caused from the way they were housed and reared. As a society, these places must be shut down and these poor animals deserve to find loving homes.

Doreen	Thomas	Corvallis	OR	97333	It absolutely discusses how the humane well more like beasts that could do such a sickening life to innocent animals. They deserve to be treated the same way they treat the animals..... LOCKED UP with the key tossed in the garbage.
Doris Jean	Wimmers	Corvallis	OR	97333	It's a cruel life for these animals.
Betty	Buck	Corvallis	OR	97333	JUST TAKE A LOOK AND THEN ASK WHY THESE SHOULD BE SHUT DOWN!!!!!!!!!!!!!!!!!!!!!!
Pennie	Davis	Corvallis	OR	97333	Some 2legged animals are very abusive to our 4 legged friends, and only see them as money. Pet mills are poorly watched and regulated so maybe they should be shut down.

Frances	Howe	Gates	OR	97346	Pet stores are encouraging the practice of animal mills by continuing to purchase and sell these animals. Often these animals are not healthy. Shelters exist with the sole purpose of finding homes for adoptable animals. Animals are cared for and socialized if needed to increase their chances of being adopted out to hopefully a good home.

Wanda	Maddux	Monmouth	OR	97361	Please have compassion for puppy & kitty mill animals who suffer from improper and inadequate care at the hands of persons whose only concern is for making money of their sales. Please ban the sale of mill bred animals to the unsuspecting buyers in retail pet stores. Often the buyers incur huge medical expenses on these pets once they become a part of a family.

Kathryn Shanti	Ariel	Lincoln City	OR	97367	It is high time to stop selling puppies and kittens in stores and to put a brake upon puppy/kitty mills. Here in the U.S. there are thousands of animals euthanized every day. It is time for people to adopt the animals that are alive and in need of homes through the Humane Societies, etc. rather than propagating this unhealthy and inhumane process of selling through stores.

Scheherazade	Begovic	SWEET HOME	OR	97386	Plenty of abandoned animals either in shelters or homeless here in oregon....ask the pack of feral cats i have been feeding/providing medical care for that were just dumped on my property....getting a living animal as a pet is a lifetime commitment(their lifetimes) so unless you are prepared to make that commitment do not get a pet. Places like these just make the whole mess 100 times worse. Go to your local humane society shelter and adopt a cat/dog, these places(pet mills) must be shut down for good.

Janelle	Boone	Brookings	OR	97415	I'm glad to finally see this. I gladly sign it. The mothers are abused and not well taken care of and crammed into small dirty cages. The puppies are sold to pet stores that don't care where the puppies came from, and sold at their stores for an exorbitant amount of money. As a side note people should adopt from shelters.
Tamara	Townsend	Brookings	OR	97415	Millions of healthy animals are euthanized yearly because not enough people want them. No more puppy mills, backyard breeders. Stores must sell only shelter dogs.
Theresa	Tyler	BROOKINGS	OR	97415	Responsible breeders don't feed puppy mills; they sell privately and all of their animals are guaranteed to be healthy. There are so many animals that need homes and they're the ones that should be in pet shops across the country. The only way to put puppy and kitten mills out of business is to refuse them room in pet shops. Puppy and kitten mills don't provide health care or prenatal care and many of the animals are sick and weak. It's time to stop them and this is the best way.

Alana	Welty	Drain	OR	97435	This important to me because puppy and kitten mills are so cruel to these animals. These poor animals are put into crowded cages and are not well taken care of. There are so many puppies and kittens in shelters right now that need a good home and deserve to have a good home. We dont need or want these puppy and kitten mills. These people need to be put out of business so that shelter pets can get a good home. Oregon needs to pass legislature that would force pet shops to sell or adopt shelter pets only. Please put these animals first so that they can find good homes, which they so much need and deserve.

Sue	Sorensen	Springfield	OR	97478	Animal breeding for profit without care is torture not merely abuse.
Karen	Berge	Springfield	OR	97478	Because there are too many homeless starving animals. The human kind has not been good to the animals. It is our responsabiaty too take out the bad owners. For all the animals do not deserve to be raised in cages and stripped of their natural lifel.

Kim	Harris	SPRINGFIELD	OR	97478	Our animals need a voice! PLEASE have compassion for those that cannot help themselves. Ask yourself, would YOU want to be treated like this?! We need to think of ALL animals the same as we do of our helpless children. OUTLAW DOG AND CAT MILLS IN OREGON AND OUR COUNTRY!!! THIS IS ABUSE!!! "Compassion for animals is intimately connected with goodness of character; and it may be confidently asserted that he who is cruel to animals cannot be a good man." -SchopenhauerThe greatness of a nation and its moral progress can be judged by the way its animals are treated. I hold that the more helpless a creature, the more entitled it is to protection by man from the cruelty of man. - Mahatma Gandhi, Indian spiritual/political leaderThe question is not, can they reason? nor, Can they talk? But rather, Can they suffer? - Jeremy Bentham, 19th century Philosopher, Oxford University I regard animals and humans in the same light. All of them suffer pain, and all of them deserve compassion.Mohammad Alaa Aljaleel"Earth was created for ALL LIFE, not just human life." -Anthony D. Williams Man did not weave the web of life - he is merely a strand in it. Whatever he does to the web, he does to himself." -Chief SeattleWe must fight against the spirit of unconscious cruelty with which we treat the animals. Animals suffer as much as we do. True humanity does not allow us to impose such sufferings on them. It is our duty to make the whole world recognize it. Until we extend our circle of compassion to all living beings, humanity will not find peace. - Albert Schweitzer, physician/Nobel LaureateThe more I know about people, the better I like my dog.- Mark Twain, American author

Nan	Edmondson	Central point	OR	97502	Animals are important

Pamela	Portwood	Central Point	OR	97502	These puppy and cat Mills as they are called are under no rules, regulations, standards or moral codes. Inbreeding, genetic illness, and just general health of the animals are of little concern to the money breeders. Sadly alot of these animals end up at shelters also, at least most shelters have Veterinarians and or medical staff to deal with health concerns and vaccines. Not to forget, what about all the breeder dogs? They live in cages all their lives with little to no human contact, perptual pregnancy till she is too old to produce any more. Where does she go from there?Possible a shelter or perhaps she will get lucky and find a home. I adopted a puppy mill mother when the people had no more use for her. Great dog but poor thing was so starved for attention and separation anxiety issues for the rest of her life.

Janelle	Davidson	Ashland	OR	97520	Puppy and kitty mills should have been shut down eons ago. So let's at least start by not letting them sell their animals in pet stores.
stephen	tesluk	ashland	OR	97520	Puppy mills are places where animals are abused and tortured. They need to be run out of business
Nina	Council	Ashland	OR	97520	This totally disgusts me when I know that thousands of unwanted shelter animals are killed each and every day. These poor animals suffer horribly especially the female dogs who are forced to produce litter after litter, SHAME

Constance	Rodriguez	Talent	OR	97540	It's atrocious to see the conditions of how they run these puppy mills. There is a more humane way to raise dogs, cats, or any kind of animal.
Sandra	Jilton	Talent	OR	97540	Many puppy mills have become notorious for overbreeding, as well as cruel and unusual punishment in the facilities. We have too many dogs in shelters that need loving homes.
Anndara	August	Talent	OR	97540	Puppy and kitty mills are inhumane. Puppy and kitty breeding mills induce stress and trauma in innocent, helpless animals that create behavioral issues. Stop this selfish abusive practice. No pet purchase from so-called pet stores!! Go to a local shelter or seek animal rights organizations that can recommend or assist in purchase of a pet from a reputable licensed humane breeder.

Cheri	Little	Redmond	OR	97756	I think puppy mills are cruel
Mary Lou	Fitzgerald	Redmond	OR	97756	Puppy and kitten mills produce animals that are often sick and interbred too much. They receive little to no socialization and little to no vet care and are often raised in horrible crowded conditions without proper food, water and exercise. I you want a purebred, visit the owner and facility to see where the animal is raised. But remember rescue dogs are often heroes just waiting for a chance to bring joy to a family.
Laura	Kogl	Redmond	OR	97756	The murder of millions of homeless shelter dogs and cats every year is horrific and unnecessary--I think it's a great idea for them to be sold at pet stores rather than euthanized. 🐾💜🐾
