**Subject:** HB 3031 and SB 947

Senator Taylor:

As a small business owner in Oregon, I am asking you to vote NO on these two House Bills. The passing of these bill would most definitely cause me to reduce my workforce and would likely put me out of business. I moved here from California 1.5 years ago to start my business due to the high cost of business ownership there – PLEASE do not make Oregon the next California!

Very Sincerely,

Donna Kangieser  
President
