Subject: Vote NO on HB 3031 and SB 947

Dear Chair Taylor,

I own a small flower shop In Salem, Olson Florist. The passing of this law will be so detrimental to our small business that it will force us to close, and therefore not providing the opportunity of a job to several people. I urge to reconsider the unexpected consequences of this bill, if it is enacted.

Sincerely,
Maria L. Palacio

Sincerely,

Maria Palacio
