

Subject: Oregon Senate Rules Committee - SJR22 and SB838

PLEASE Vote NO on these two bills!

Stop SJR22 and SB838 that would allow 16 year olds to vote.

This is a terrible idea, they are not even allowed to drive other kids in their cars because they are not responsible enough... I absolutely 100% feel that this is nothing but a ploy to get bad things voted in because they do not understand the implications of what they are doing.
