

This is absolutely asinine. Not old enough to live on their own, cannot enter a binding legal contract/codicil/agreement, under the age of sexual consent, not allowed the liberty to smoke or drink, yet some people think handing over the reigns to the State is somehow appropriate. I have 4 teenagers, highly responsible types, and HELL NO they are not ready to vote.

PLEASE Vote NO on these two bills!

Stop SJR22 and SB838 that would allow 16 year olds to vote.
