

Chair Prozanski & Vice Chair Thatcher,

I'm a resident voter of Oregon and supporter of sexual assault survivors.
I need you to pass SB 482.

Renewing restraining orders annually is not only traumatic for survivors, but dangerous too. One year is simply not long enough for a restraining order to effectively protect survivors. Survivors are strong but also vulnerable and their protection should be a priority. Supporting and passing this bill would be really beneficial to our community.

Thank you,
Canby, OR
