

PLEASE Vote NO on these two bills!

Stop SJR22 and SB838 that would allow 16 year olds to vote. If a 16 year old can't drink, own a gun, smoke, or even hold a full time job in a trade they in now way shape or form can vote. I employer all my elected officials to stop these non sense laws!!! Enough is enough!! voting is a lprivilage reserved for adults that have past puberty and joined the ranks of their fellow working class citizens.

Please vote no on these 2 bills!! or better yet give us the opportunity to vote on it!

thank you!!

sincerely,

Brandon Smith
