

Dear Legislators:

As a citizen of this fair state, I respectfully request a NO vote on these two bills. Sixteen year olds are not ready to vote. If you look at eighteen years olds in college needing safe spaces in college, they are not ready to be adults either.

Please table these bills and let high school kids worry about the prom, not the state budget.

Best regards,
Jan Esler-Rowe
Milwaukie, OR 97222
