

SJR 22 and SB 838

Members of the Rules Committee:

Allowing a 16 year old to vote would be as ridiculous as allowing a 15 year old to undergo a sex change operation without parental permission.

Wait... because at that tender age they know so much about life for such decisions, right? Oregon bureaucrats DID make it possible for a 15 year old to have a sex change procedure without the parent being informed. This was made possible in 2015 quietly under the table without the public hearing about it.. Like a snake in the grass. I still run into people who don't believe it when I tell them.

As indecent as 22 and 838 policy proposals or worse, Constitutional changes would be, the public would get a chance to vote. I pray that you are not so lost as a governing body that you would allow this out of the session on Wednesday.

A scheme. Pure and simple.
