

Hello,

I am writing to tell you that I oppose HB3063, the bill that removes my right as an American citizen to exercise Religious Exemption. This bill is in direct violation of my First amendment right to freely exercise my religion as well as my right as a parent to make medical decisions for my child. I oppose HB3063 and I hope that you do too.

As a parent, I have the right to choose what is injected in my child's body especially if it causes medical problems.

Thank you for reading and hearing my voice as a concerned Oregonian parent and citizen.
