

My name is Dennis West, Yachats, Oregon 97498.

I'm 72, Retired 10 years

Have had no health insurance most of my life. I had savings which paid for a supplement at retirement but savings ran out and the \$1,042 monthly on SS wasn't enough to pay even \$214.00 with Medicare help.

I ran out of money in May 2018 and had to cancel my supplement, cable, internet access and phone to buy food and gas.

My electric bill takes up most of the \$171.00 I have left after rent and car ins.

Thank You,

Dennis West
