

Restriction of the rights of law-abiding Oregon gun owners, including but not limited to confiscation of personal property, will not save a single life. If you want to save lives, fund mental health diagnosis, treatment and care. Law-abiding Oregonians are not the ones committing the crimes. The fact that our Oregon legislature would even think of restricting the rights and freedoms of the law-abiding in response to the actions of the lawless is appalling. We are not the problem, and punishing us is not the solution.

Please OPPOSE SB 978.

Thank you.
