

I don't understand why I am being punished for my lawful actions. Firstly punishing me if a CRIMINAL steals my gun is ludicrous, but even if I lock them up and someone has a hammer or a cutting device to break my lock I am still in trouble. How can you hold someone accountable for an uncountable number of bad people, or unknown circumstances, at the same time as you make me personal protection useless in my own house. Personally I find these proposed laws bullshit and unjust.
