

Dear Chair Monnes Anderson and Senate Health Care Committee Members: I am submitting testimony to oppose SB 770. I have many concerns about this bill. It is too vague and gives too much power to the OHA. It is listed as an emergency which would mean that Oregon tax payers are not able to vote on this Bill. That does not seem right! You can not decide that we will all have one insurance, no choice, fine us and not let us vote on it! Please do not let this slip through without allowing every Oregon voter a voice in their healthcare! I am all for healthcare choice and freedom! This Bill removes my freedom to choose!
