BACKGROUND:

Health insurance coverage currently represents a mix of public programs (Medicare, Medicaid, TRICARE), employer-sponsored, and individual insurance options. According to the 2017 Oregon Health Insurance Survey, 93.8% of Oregonians had health insurance coverage; 47.5% were covered through private group health insurance, 26% were covered through Medicaid, 15.1% were covered through Medicare, and 5.2% were covered through private individual insurance.

Senate Bill 770 establishes the Universal Health Care Commission to recommend the design of the Health Care for All Oregon Plan to provide high quality, publicly funded health care available to every individual residing in Oregon.
