Please I pray to you and beg of you, DO NOT pass anymore gun control. Please NO [Senate Bill 978](#) .

Please do not infringe on our 2nd amendment rights.

- "To preserve liberty, it is essential that the whole body of people always possess arms..." - Richard Henry Lee, 1788, Member of the First U.S. Senate.
- "That the said Constitution shall never be construed to authorize Congress to infringe the just liberty of the press or the rights of conscience; or to prevent *the people* of the United States who are peaceable citizens from keeping their own arms..." - Samuel Adams, Debates and Proceedings in the Convention of the Commonwealth of Massachusetts, at 86-87 (Peirce & Hale, eds., Boston, 1850. 2, col. 2.
- "If cowardly and dishonorable men sometimes shoot unarmed men with army pistols or guns, the evil must be prevented by the penitentiary and gallows, and not by a general deprivation of a constitutional privilege." - Arkansas Supreme Court, 1878
- "The right of citizens to bear arms is just one guarantee against arbitrary government, one more safeguard against the tyranny which now appears remote in America, but which historically has proved to be always possible." - Senator Hubert H. Humphrey (D-Minnesota)
- - "Are we at last brought to such humiliating and debasing degradation that we cannot be trusted with arms for our defense? Where is the difference between having our arms in possession and under our direction, and having them under the management of Congress? If our defense be the real object of having those arms, in whose hands can they be trusted with more propriety, or equal safety to us, as in our own hands?" - Patrick Henry, 3 J. Elliot, Debates in the Several State Conventions 45, 2d Ed. Philadelphia, 1836.
 - "The Constitution of most of our states (and of the United States) assert that all power is inherent in the people; that they may exercise it by themselves; that it is their right and duty to be at all times armed and that they are entitled to freedom of person, freedom of religion, freedom of property, and freedom of press." - Thomas Jefferson
 - "What the subcommittee on the Constitution uncovered was clear -- and long-lost proof that the Second Amendment to our Constitution was intended as an individual right of the American citizen to keep and carry arms in a peaceful manner, for the protection of himself, his family, and his freedom." - Senator Orrin Hatch, Chairman, Subcommittee on the Constitution, Preface, "The Right to Keep and Bear Arms"
 - "If gun laws in fact worked, the sponsors of this type of legislation should have no difficulty drawing upon long lists of examples of crime rates reduced by such legislation. That they cannot do so after a century and a half of trying that they must sweep under the rug the southern attempts at

gun control in the 1870-1910 period, the northeastern attempts in the 1920-1939 period, and the attempts at both Federal and State levels in 1965-1976 - establishes the repeated, complete, and inevitable failure of gun laws to control crime." -- Senator Orrin G. Hatch (R-Utah) quoted from "The Right to Keep and Bear Arms, Report of the Senate Subcommittee on the Constitution, Washington: U.S. Government Printing Office, February 1982, p. vii."

- "Congress has no power to disarm the militia. Their swords, and every other terrible implement of the soldier, are the birth-right of an American ...the unlimited power of the sword is not in the hands of either the federal or state governments, but, where I trust in God it will ever remain, in the hands of the people." - Tench Coxe, 20 Feb 1788;
