

To whom it may regard,

I am opposed to SB 770.

"Requires public employees to be covered by Health Care for All Oregon Plan. Establishes Health Care for All Oregon Fund."

"SECTION 31. ORS 243.135 is amended to read:

243.135. (1) Any person who is eligible to enroll in a benefit plan available to state employees pursuant to ORS 243.105 to 243.285 and 292.051 shall participate in the Health Care for All Oregon Plan."

Emphasis on SHALL PARTICIPATE.

Since when does an employer, public or private, have the right to REQUIRE an employee purchase their product? That's what this, an insurance product and the insurer is the government. You have no right REQUIRING me to have anything or participate in any insurance scheme. Forced participation is unconstitutional.

I urge a no vote, stay out of my healthcare and my wallet. Please do not waste tax payer money on court challenges.

Respectfully,

Darlene Atkinson
