

To Whom It may Concern,

I am writing to outline my opposition th SB 978 for the following reasons:

- Imposing one-size-fits-all, government mandated firearm storage methods that require firearms be unavailable for self-defense and does not consider personal circumstances.
- Discriminating against young adults under the age of 21 by denying them their Second Amendment rights
- Expanding so called “gun-free zones” where law-abiding citizens are left defenseless against criminals who simply ignore such arbitrary boundaries.
- Imposing additional government red tape in order to obtain a Concealed Handgun License.
