

As a sixty-nine year old person, it AMAZES me how the democrats in Oregon are intent on passing bills that undermine both the State of Oregon and Americas Constitutions.

When will you EVER get it in your heads that all this crap is UNCONSTITUTIONAL on EVERY LEVEL. How about the fact that these BS bills are NOT enforceable, just go ask any Sherrif if they will enforce that which turns LAW-ABIDING citizens into CRIMINALS, you should ALL go POUND SAND and leave us ALONE! The 2nd Amendment is the ONLY permit I need, PERIOD!!!

Now that Americans are waking up to democrats desired destruction of our Country! It is time to REPLACE the current bunch of idiots at our next election!
