

Dear Senators,

I am writing to protest Bill 978 and ask that you respectfully reject this bill and deny it from becoming a law. This bill is a gross violation of our 2nd amendment rights! Denying legal citizens the right to by a gun because they are under 21 is not right. Demanding that people lock their guns up in a safe disallowing them enough time to arm themselves in the event of a surprise breaking is absolutely horrific! Making prior gun owners responsible for someone else's crime whether it is two weeks or two years is completely ridiculous and unlawful!!

Again, I urge you to stop this Bill 978 immediately!

Thank you!  
Mike Walsh
