ISSUES DISCUSSED:

EFFECT OF AMENDMENT:

No amendment.

BACKGROUND:

Current Oregon law prohibits certain individuals from knowingly possessing firearms or ammunition. Among those excluded are persons subject to a court order, such as a Family Abuse Prevention Act (FAPA) order, Sexual Abuse Protective Order (SAPO), and Elderly Persons and Persons with Disabilities Abuse Prevention Act (EPPDAPA) order, that restrains the person from stalking, intimidating, molesting, or menacing an intimate partner or child, and includes a finding of a credible threat to the physical safety of the other party. In order to be prohibited under this section, the person subject to the order must have had actual notice and opportunity to be heard in a hearing on the order.

Additionally, persons who have been convicted of a qualifying misdemeanor against a family member are prohibited from possessing firearms or ammunition. A qualifying misdemeanor is one that includes use of physical force, attempted use of physical force, or the threatened use of a deadly weapon. ORS 166.255(3)(f).

HB 2013 STAFF MEASURE SUMMARY

House Bill 2013 eliminates the requirement that a person be present in court in order to establish that an order is valid in restricting the possession of firearms. Instead, an order restricting possession of firearms under ORS 166.255 is valid if a person has received notice of the opportunity to request a hearing in which to be heard and the person did not request a hearing.

House Bill 2013 also establishes protocols to dispossess individuals of firearms when a court has made findings associated with a conviction or court order described in the measure prohibiting an individual from possessing firearms.
