

To Whom it may concern,

If you think back to the day you took office, you laid your hand on a bible and took an oath. That oath says that you solemnly swear to support, uphold and defend the Constitution of the United States and the Constitution of the State of Oregon. Your support for SB978 or any gun control law is a violation of that oath. A violation of the oath of office is a Federal crime. SB978, as with ALL gun control laws, is unconstitutional! Do you have even an inkling of the phrase "Shall Not Be Infringed"?! I'm a law abiding citizen. My Children are law abiding citizens. I demand a NO vote on SB978 and all anti-gun bills! This is ridiculous! Criminals are criminals! They follow NO laws! That's why they are criminals! How about you work on Tougher sentences for these criminals? And then follow through with them! How about working on Mental Health Care for a change. Your definition of "common sense" is way out of bounds.

Does anyone with any sense actually read the insane anti-gun bills? Not only are they the product of hate, they were clearly created by people who have no idea what they are talking about. Please stop wasting time on this unconstitutional nonsense and fix the awful policies that are destroying Oregon.

Sincerely,  
Jason McGarvey
