

NO, NO and NO !!!!!!!!!!!!!!!

Is there a part of "...shall NOT be infringed" that you don't comprehend?

The measures proposed (ALL!!) will have absolutely NO bearing on crime, but will only step on GOOD, Law-abiding citizens !!! Such affronts used to be thinly veiled as 'common sense' measures, but now the mask is off--

- these are blatant attempts to curtail the Constitutionally protected right to keep and bear arms (U.S and Oregon Constitutions) by your trusting constituents. These are bare-faced, malicious and are acts of TREASON. You took an oath to uphold both the Constitution of the U.S. and Oregon, and to represent WE the People--
- these draconian proposals are in direct violation of your sworn office !!!

Let me remind you that on March

23rd the front of the Capitol was filled with over 2,000 (despite the media figures) freedom-loving AMERICANS who just happen to be Oregonians--

- a LOT of Democrats still cherish their right to keep and bear arms, so do NOT be fooled into thinking that this is an issue of political party. But wait, perhaps you WISH to commit political suicide.....

Flush SB 978 with ALL of its horrible amendments NOW !!!

Respectfully, James Cropper, Salem, Ore.
