

in the form of Senate Bill 978 and the Dash 1 Amendment clearly proclaims the Legislature's intent to begin the process of registration, confiscation and subjugation that is always the goal of "Progressives." This legislative abomination clearly violates both the State and Federal constitutions with the ex post facto creation of felons who were yesterday law-abiding citizens that have now fallen afoul of your arrogance and disdain for those you supposedly serve. Withdraw this affront to freedom and decency if you champion the former and possess the latter.
