My name is Troy Lowrie I am a critical care nurse and a CHL holder and a native Oregonian. This new unconstitutional attempt at stripping oregonians of there rights would limit my ability to defend and protect my life and the lives of my family. Criminals don't care about laws, the only people these attacks on our constitutional rights are going to stop are law abiding citizens from protecting themselves. My grandparents both served in WWII my father was a Crew cheif in the Air Force and my mother is a retired emergency department charge nurse. I am not going to forget what they stood and fought for. I live in Linn county. I don't think my sheriff is going to stand for ineffective unconstitutional law's and neither will I. I will not stand for any degradation of the Constitution and it's amendments especially the second amendment.

Respectfully
Troy Lowrie
