Analysis:

This fiscal impact statement is for the purpose of transmitting the measure from the House Committee on Education to the Joint Committee on Student Success.

The measure directs the Early Learning Division (ELD) of the Oregon Department of Education (ODE) to develop multi-level system of certification of early learning professionals. At this point, ODE states that further clarification on the depth of research and analysis required to develop a multi-level certification process is required and for that reason the agency says the fiscal impact is indeterminate.

The measure is anticipated to have an impact on ELD and Community Colleges

A more complete fiscal analysis on the measure will be prepared as the measure is considered in the Joint Committee on Student Success.
