Subject: TESTIMONY IN SUPPORT OF SB 978-1

Dear Senator Prozanski and Members of the Committee,

We are writing in support of SB 978-1 and urging any additional steps you can take this session to prevent gun violence. We support all the key parts of the bill, including the safe storage requirement, allowing schools and local governments to regulate firearms in public buildings, supporting retailers' efforts to set minimum ages for the purchase of firearms, prohibiting the sale of untraceable firearms and requiring reporting of all firearm injuries to the Oregon Health Authority.

This common sense approach to preventing gun violence and protecting students and the public deserves all our support.

Sincerely,

Denise and Robert Frisbee
Clackamas County, OR
