PLEASE, stop this and all non-common sense gun control bills!

You do nothing...ABSOLUTELY NOTHING...to curb gun violence committed by criminals or those hellbent on doing harm to others, NOTHING.

What you do do is make it a criminal act to protect ourselves and those we love and care about.

Use common sense, please!

That is only common courtesy to the senders who may not wish to have their email addresses sent all over the world. More importantly, erasing the history helps prevent Spammers from mining addresses and viruses from being propagated as well .

please delete any addresses before sending. You should do this for every email you forward on.....high lite and hit delete key!! simple and safe!!! thanks
