

Dear Senate Rules Committee,

I think that we should elect the President using a National Popular Vote and that the National Popular Vote Interstate Compact is the best way to do that. Please vote Yes on SB 870!

In this era of computers and instant communication, The National Popular Vote makes sense. It would improve voter turn out as each vote would truly count. Fifteen states have passed similar legislation. Oregon's 7 electoral votes would bring the total to 196 much closer to the 270 needed. "Yes" on SB 870.

Thank you, Janice B. Waitt, Ashland, Jackson County, Oregon
