

Yes to a National Popular Vote!

Dear Senate Rules Committee,

I think that we should elect the President using a National Popular Vote and that the National Popular Vote Interstate Compact is the best way to do that. Please vote Yes on SB 870!

And lets not forget how the last president was elected President Trump rigged the election away from Hillary Clinton when she won the popular vote by nearly a milllion votes Lets do a national vote system so no more elections are rigged

Thank you for considering my arguement and testimony
