

I am currently a law abiding citizen and have been my entire life. I also have many guns, some for hunting, some for protection, some just for fun and go out and shoot at targets. I enjoy the sport. The SB978 is threatening my ability to do those things. I do not think additional gun laws are the answer. It is a constitutional right to keep and bear arms why does Oregon want to infringe on this right? Please vote this and other gun laws down. Enforce the ones we have!!
