

Unfortunately for Oregonians, people like me have to work while you guys are sabotaging our freedom's!!! Just stop it! I'm at the tipping point. This is my first attempt to protect rights outside of voting. I am willing to exercise my freedom to engage if I do not start seeing appropriate representation. Thank you Kim Thatcher, Cliff Bentz and Dennis Linthicum for standing up. Please add me to your campaigns fundraising initiatives.

Thank you,
Carter Dye G.J.G.
