

After reading through the amendments of the above mentioned bill, and being a freedom loving American and native-born Oregonian for over 70 years, I can say this bill will FURTHER INFRINGE on the freedoms guaranteed by the U.S. constitution's bill of rights 2nd amendment and Oregon's constitution as well. As legislators YOU HAVE SWORN TO UPHOLD AND PROTECT BOTH OF THESE CONSTITUTIONS. Honor your oath and the citizens of Oregon. Vote NO on SB 978-1.
