

It's shameful that our electoral system discourages Presidential candidates from appealing to ALL citizens of the US. Let's do the right thing, let us move towards the "more perfect union" which should always be our goal!

The National Popular Vote bill would guarantee the Presidency to the candidate who receives the most popular votes in all 50 states and D.C. This ensures that *every* vote, in *every* state, will matter in *every* presidential election.

Please, for the love of this nation and ALL its people, say yes to the National Popular Vote!
