

Dear Senators,

The sheer volume of responses required to address this bill and its addendum would take a huge email and I doubt that you would have the time or inclination to read through it all. So I am going to stick with a short list of facts to generate a logical thought process.

Fact: Murder is illegal.

Fact: Attempted murder is illegal.

Fact: A felon owning a gun is illegal.

Fact: Shooting people without just cause is illegal.

Fact: Using firearms in a criminal manner is illegal.

Fact: Criminals do not obey laws.

Fact: There are an estimated 22,000 gun control laws on the books in various federal, state, and local jurisdictions.

Please explain to me how criminals will follow NEW gun laws.

Please explain to me how NEW gun laws will make us safer.

Please explain to me how restricting law abiding citizens even more will make anyone any safer.

Thank you for your time and attention.

Michael Crop

2 Chronicles 7:14

14 and My people who are called by My name humble themselves and pray and seek My face and turn from their wicked ways, then I will hear from heaven, will forgive their sin and will heal their land.
