

Dear Legislatures,

As a U.S. Army Vet and resident of Albany, Oregon, I feel it is very important to voice my disapproval of SB987.

As I understand it, the bill would make most modern firearms illegal, which in turn would make thousands of lawful gun owners criminals. As well as make it more difficult to obtain a concealed weapons permit and make new gun-free zones.

I implore you to please DO NOT allow this bill to become law.

Thank you for your time and have a nice day.

Respectfully,
Dale Hummel
