

I'm Dennis Cole, a law abiding Oregon resident in Klamath County.
I urge you to vote against the entire bill SB978.

Reasons to oppose SB 978 include:

If guns or other weapons are rendered unavailable or unusable at an instant condition such as home invasion, carjacking, robberies in public, etcetera; the honest citizens will be at the mercy of armed assailants. Criminal assailants will never be constrained by the issues in this SB 978.

The U. S. Constitution is written to protect its law abiding citizens. It also allows for appropriate punishment of enemies of those rights. Enemies include criminals, terrorists, abusive overreaching governments, as well as others.

The Constitution of the United States of America is written to the benefit of the people of the United States of America. The right and responsibility of the people to defend themselves against enemies foreign and domestic is clearly put forth in the second amendment to the Constitution and shall not be infringed.

I urge the defeat of this and any related legislative proposals.

Respectfully, Dennis Cole
