

To whom it may concern.

We all want our children and property to be safe.

I oppose this bill as it will not help but hinder the goal that it is set out to obtain.

All stat's show that gun violence has become less an issue as time goes on as much as we have been bombarded with it as a big problem it is not many other issues are taking many more lives than gun's.

Gun rights are not being attacked as a safety issue they are being used to as a control of the people and this in it's self is a violation of our constitutional freedom.

I urge a vote of No!
