

I'm a simple man who works in education and juvenile justice. I voted yes, for Measure 11. I understand that a bill is now before you or a series of bills. I agree with most of them but do not support any changes in the ability for juveniles to be tried as adults. This was passes by the people, the people of Oregon. If someone wants to change it, it should go back to the voters.

We just had a 13 year old over dose and 2 police officers injured in Springfield. We had a group of teens toture a guy a few months back and a 12 year Murder a lady. Measure 11 is rarely used in Lane County but needs to be a tool, in the box. One approved by the people of Oregon.
