

To whom this may concern,

The pure and simple fact that you people are proposing such restrictive "unconstitutional" measures to law abiding citizens of the state of Oregon makes it VERY CLEAR that there is a horrible agendas and goal at play. For the legislature to even consider this bill with it's amendments is absolutely abhorrent.

There general misconception is that any statute passed by there legislators bearing the appearance of law constitutes the "Law of the Land". The U.S Constitution is the "Supreme Law of the Land", and any statute , to be valid, must be in agreement. It's impossible for a law which violates the Constitution to be valid. As follows :-

"All laws which are repugnant to the Constitution are null and void". Marbury vs Madison -5 US (2cranch) 137,174,176. (1803).

"Where rights secured by the Constitution (organic 1776) are involved, there can be no rules making, or legislation which would abrogate them" Miranda vs Arizona, 384 US 436 P.491

"An unconstitutional act is NOT LAW, it confers no rights, it imposes no duties, affords no protection, it creates no office. It is in legal contemplation, as inoperative, as though it had never been passed."

Norton vs Shelby County, 118 US 425 P. 442

In closing I say that the Rule is that an unconstitutional statute, though having the form and name of law, is in reality no law. It is completely void and ineffective for any and all purposes since unconstitutionality dates from the time of it's enactment, and not just from the dates of the decision so branding it. No one is bound to over an unconstitutional law and no courts are bound to enforce it.

Please put a stop to this reckless and totalitarian legislation.

Thank you.

Ralph Pina
