

Well it seems you have awoken many of the taxpayers this session and lots seem to be getting involved now. This has got to be one of the worst pieces of legislation ever. A total attack on legal gun owners rights and their ability to protect themselves. It restricts guns in almost all places !! Going to make good hard working legal folks, criminals. Not to mention it violates the constitution and will cost the taxpayers so much money when it goes through the court systems and is found illegal. Stop attacking the people who are working legal citizens and stop wasting everyone's time and money with bills like this. I OPPOSE 978 AND I SURE HOPE OUR POLITICIANS WILL TOO.
