

My name is George Landon, I am a Coast Guard Vet., CG Boarding officer and retired from ODFW Employee and was a Deputy Game warden in ODFW. Why is this bill being pushed down the throats of the legal law abiding gun owners of the State of Oregon. Please reconsider any thoughts of it's affects if passed on honest legal gun owners. Work on things that control crazy criminals not good honest legal citizens. Taking rights from them(non criminals) will do nothing to stop crime only take away another of their freedoms and constitutional rights. Thank You for your time and Hope consideration. Sincerely,
George A. Landon
