

As an American, a Veteran and an Oregonian I implore our state representatives who have sworn an oath to support the Constitution of the united states and the Constitution of the state of Oregon to please vote no on SB978. Our founders ensured our rights would stand the test of time if we give up these rights of self protection which rights will you take next? Law abiding gun owners are not the problem not even close. Society is sick and depraved and evil exist taking away the ability of those who choose to protect themselves and their families only ensures more victims of violent crime.
